Second Addendum to Breakthrough Charter Schools IFB #1516WL and #1516NL:

Clarification on the following listed under “Desired Criteria”, located in Section F, Page 1 of 4, 1B in IFB#1516WL and IFB#1516NL:

It is permissible to transport the food in a non-refrigerated truck so long as all legal requirements for safe handling are followed and the food items are in an insulated container. The hot containers should be kept hot and the cold containers should be kept cold. It is acceptable for hot and cold items to be delivered on the same truck.
