EAST

A BREAKTHROUGH SCHOOL

“Our mission is to produce learners who exemplify academic excellence and responsible citizenship.”

*Annual Report
2017-2018*

Year in Review

Citizens Academy East (CAE) offers families a quality school option for grades K-5 in Cleveland's Glenville neighborhood.

Our approach emphasizes rigorous academics and active citizenship, with a curriculum incorporating study of the world's great leaders. CAE students can then enter Citizens Leadership Academy East for middle school. There, they will expand what they learned at CAE through Expeditionary Learning immersing them in civic-minded projects and experiences. Together, the two schools help scholars develop a "Growth Mindset" to encourage striving throughout their lives.

We welcome families to take an active part in student learning and were so happy to see great turnout for Moments with Mom, just one in a series of several events bringing families to school!

Scholars from grades K-5 brought words to life during the school-wide Vocabulary Day Parade. Hot on the heels of the parade was the Spelling Bee, involving 4th and 5th graders conquering their nerves and putting it all on the line for written language!

CAE's Decimals with Dads event was a great success! Father figures joined their children in the classroom to do word problems, solve puzzles, calculate trajectory, and build structures. They worked together to solve math problems and had fun in the process!

OUR STUDENT COMMUNITY IS...

African American: 99%
Multiracial: 1%
Economically Disadvantaged: 72%
Students with Disabilities: 9%
Total Enrollment: 401

Definitions: Achievement: The Performance Index measures the test results of every student, not just those who score proficient or higher. Progress: The Progress component looks closely at the growth that all students are making based on their past performances. Gap Closing: The Gap Closing component shows how well schools are meeting the performance expectations for our most vulnerable students in English language arts, math, graduation and English language proficiency.
