SOUTHEAST

A BREAKTHROUGH SCHOOL

“Our mission is to produce learners who exemplify academic excellence and responsible citizenship.”

Annual Report
2017-2018

Year in Review

Citizens Academy Southeast (CAS) offers a high-quality education option in Cleveland's Lee Harvard neighborhood.

Like our two other Citizens schools in the city, the CAS approach encourages good citizenship and virtue through a curriculum steeped in academic rigor and a set of high behavioral expectations called the Citizens Academy Way. Our school is proud to offer our students the chance to thrive academically and develop strong character in grades K-5.

Scholars felt what it's like to make it to the big time when they celebrated Black History Month dressed as famous African-American performers like James Brown, Duke Ellington, and Cedric the Entertainer.

Dress-up continued at the Character Day Parade, when students marched the halls as the protagonists of their favorite books!

The novel came to life on the big screen when scholars and families joined to see *A Wrinkle in Time*, a book their teachers had read aloud in class!

Definitions: Achievement: The Performance Index measures the test results of every student, not just those who score proficient or higher. Progress: The Progress component looks closely at the growth that all students are making based on their past performances. Gap Closing: The Gap Closing component shows how well schools are meeting the performance expectations for our most vulnerable students in English language arts, math, graduation and English language proficiency.
