## ANNUAL REPORT 2018-2019

Ohio Revised Code (ORC) 3314.03(D)(2) specifies that the sponsor of the school must "monitor and evaluate the academic and fiscal performance and the organization and operation of the community school on at least an annual basis."

In its evaluation of school performance, Buckeye Community Hope Foundation (BCHF) assesses the performance of the school on each of the required Ohio School Report Card indicators and on performance measures listed in the charter contract. BCHF monitors the performance of the community school thru attendance at board meetings, bi-monthly visits to the school, monthly reviews of financial reports and reviews of academic progress reports along with a number of other reports relative to the school performance. Buckeye Community Hope Foundation served as the sponsor for Village and E Prep Willard during the 2018-2019 school year, and found the school substantially compliant with the rules and regulations governing community schools.

All community school sponsors are required to submit a written report of the evaluation results of the school's academic, financial, and organization performance as well as the school's legal compliance to the Ohio Department of Education and make the report available to parents of students enrolled in the community school. As such, an Annual Report regarding the performance of this school and other schools under the sponsorship of Buckeye Community Hope Foundation will be posted on our website [www.buckeyehope.org](http://www.buckeyehope.org), no later than November 30, 2019.

A Woodland Hills parent organized a Unity Circle to introduce 7th and 8th graders to the impact of historically African-American fraternities and sororities on higher education and the community.

Through a new wraparound program piloted at the school, Woodland Hills students and families have access to additional programs and services, including a partnership with a barber providing free haircuts to students.

The 5-6th grade boys team and 7-8th grade girls team became basketball champions thanks to committed coaching and teammates giving it their all during a competitive season!
