

## BREAKTHROUGH SCHOOLS

**Citizens  
Academy**  
SOUTHEAST

**Citizens Academy Southeast (CAS) students rise to meet high expectations in grades K-5. In 2019-2020, the school has grown to include 6th grade, and will eventually serve grades K-8 in Cleveland's Lee-Harvard neighborhood.**

The school's curriculum builds core academic skills, while deepening student understanding of citizenship and how to make a difference in the community. School culture is rooted in the CA Way, a set of virtues and behavioral expectations emphasizing respect, responsibility, and no excuses. In the middle school grades, Citizens Leadership applies EL Education which combines core academics with experiential learning.

**ANNUAL REPORT  
2018-2019**

CAS students, with the help of volunteers from Lubrizol, planted trees on campus as part of a Western Reserve Land Conservancy and Bartlett Tree Expert initiative.

CAS converted to a wax museum one memorable day during Black History month. Fifth graders researched a notable African-American, then posed in character for members of the school community to observe and learn.

Students and their parents competed in the first-ever Father/Son kickball game at CAS. What a way for fathers and sons to have fun and build up the school community!
