GREETINGS,

I'm excited that you are interested in learning more about Lutheran High School East! We are proud to be a school of purpose, where our students receive a high-quality education in a welcoming Christ-centered environment. We believe that students flourish when given the opportunity to work closely with dedicated faculty members, and our relatively small size allows that to happen. In fact, our close-knit community is what empowers our dynamic faculty, staff, coaches, and administrators to get to know each student on an individual level. We have designed our curriculum and classes to fit the varying academic needs and styles of individual students, providing as much interaction between students and teachers as possible. The outcomes are tremendous!

Lutheran East students are encouraged and challenged to grow academically, spiritually, and socially by exploring new activities and interests inside and outside of our school building. In recent years, we've seen record numbers of students involved in our College Credit Plus program, which allows students to earn college credit while still in high school. The Honors Academy allows students to further excel in all areas, preparing them to succeed in college and beyond. Our community service programs give our students the chance to live out their faith by making a tangible difference in their local communities.

I have been blessed to be part of the Lutheran East community for the past 9 years, and I'm excited to share with you our story. It's amazing to see the transformation that occurs in students as they grow into the men and women that God created them to be! I want to invite you to continue to learn what Lutheran High School East is all about, so take a look at our website, come visit us for an Open House, talk with some of our alumni, and contact me to set up a time to visit and tour our school. I look forward to meeting you!

In Christian Service,

Mr. Andrew Prusinski, Principal

LUTHERAN HIGH SCHOOL EAST
is operated by the Cleveland Lutheran High School Association and is located on twelve beautifully tree-lined acres on Mayfield Road in Cleveland Heights. Our school facilities include:

- Academic Success and Tutoring Center
- Fine Arts Wing
- 350-seat auditorium/performing arts center
- Full-service cafeteria
- Onsite athletic and practice fields
- Full-size, recently renovated gymnasium

ACADEMICS:

Lutheran East's academic curriculum is designed to promote the educational growth of each student. At Lutheran East, students are challenged to reach new academic heights through hard work as they prepare for college and adulthood.

FAITH AND SERVICE:

At Lutheran East, the love of Jesus is woven into everything we do. Our students are continually drawing closer to God as God draws closer to them through weekly worship services, religion classes, Gospel choir, and prayer. Students are not only taught about the love of Jesus, they are encouraged to live out that love through service to others. God has blessed us so that we can in turn bless others, and we do that as a school community through our annual Lutheran East Day of Service, service club, and mission trip opportunities.

ATHLETICS:

With two-thirds of our student population participating in sports, our school is blessed to have an active athletic program. Varsity athletic programs include football, girls' volleyball, track & field, cheerleading, boys' basketball, and girls' basketball.

ARTS:

We believe that one of the greatest ways to celebrate the beauty of our world and honor the talents God has given us is through art. Lutheran East students have the opportunity to explore fine arts disciplines including vocal music, studio art, drama, and computer & video arts.

HONORS ACADEMY:

The Lutheran East Honors Academy aims to provide high-achieving, driven students with opportunities that will bolster their college applications, help them develop into well-rounded young adults, and allow them to better compete nationally to get into elite level colleges and universities. The Honors Academy offers students a variety of opportunities to excel inside and outside of the classroom, experience various cultural and community outreach activities, and participate annually in national and international volunteer work and mission trips.

LUTHERAN EAST AT A GLANCE:
