

**A
FAMILY
of
FAITH**

“Trinity helped me make my faith my own. I am now confident that my relationship with God will stay strong throughout my college years and beyond.”

COMPASSIONATE SERVANT LEADERS

Trinity High School is first and foremost a Roman Catholic and Christian faith community. We cultivate courage in young people to use many forms of prayer, especially the sacrament of the Eucharist, to deepen and strengthen their personal relationship with Jesus Christ. Our ministry program is rooted in the Franciscan tradition of service to one another and to others in need.

LIFE-CHANGING RETREATS

Trinity’s retreat program is known as the best in area Catholic schools. The foundation comes not only from the heart of the community, but from dedicated students and faculty members who help prepare retreats for our students. All students at Trinity attend a class retreat each year, and have the option to serve on many others. Retreats are designed to meet the developmental and spiritual needs of our students. Our unique family atmosphere fosters an amazing experience for everyone that lasts well beyond the actual retreat.

GOT PRAYER?

Trinity’s ministry program reaches far beyond the walls of our school. Trinity students minister to hundreds of eighth graders throughout the Diocese of Cleveland annually on **“Got Prayer?”** retreats and our popular **Walking with the Spirit** retreat.

AFFORDING A TRINITY EDUCATION

To demonstrate Trinity’s financial commitment to providing a sound academic, social, and spiritual foundation in Christian values, we have implemented a stabilized tuition model. Unlike many other high schools, the tuition amount a family pays upon enrolling their child as a freshman is the same tuition amount they will pay each year their student is enrolled at Trinity. Additional fees may apply.

The chart below includes a breakdown of tuition for the next four years, as well as the financial assistance families will receive based on our stabilized tuition model.

School Year (Class of 2027)	Projected Tuition	Annual Financial Assistance	Actual Cost to Families
2023-2024	\$13,800	\$2,300	\$11,500
2024-2025	\$14,000	\$2,500	\$11,500
2025-2026	\$14,300	\$2,800	\$11,500
2026-2027	\$14,600	\$3,100	\$11,500
	\$56,700	4-Year Financial Assistance: \$10,700	4-Year Investment: \$46,000

Trinity is able to offer this financial assistance package because of the strong commitment from the businesses and organizations that sponsor our Pre-Professional Internship Program. Learn more about financial assistance and scholarships at www.ths.org/Admissions.

Beginning in your junior year and continuing through your senior year, you will experience one-day-a-week internships related to a career you are interested in exploring. In addition to being part of an expanded network of learning, you will take away invaluable workplace experiences and connections to members in professional communities.

What's more, Trinity is the only Catholic high school in our area to offer a comprehensive, sophisticated career preparation program. As a Trinity student, you will gain a competitive advantage that will help set you apart from your peers who attend other high schools when you apply for college admission and scholarships.

LEADING INNOVATION

Trinity's Pre-Professional Internships focus in three specialized areas: medicine, graphic design, and information technology, but many of our students participate in internships related to business, marketing, law, education, and more. **Go to www.ths.org/Academics/PPI to see a sampling of this year's internship placements.**

Have you thought about college? It may seem hard to believe, but in just a few years you will begin the college application process — and you haven't even applied to high school! The high school you choose should be one that prepares you to be successful not only during your time there, but in the years that follow.

Trinity is a college-prep high school. Exciting opportunities like the one-of-a-kind Pre-Professional Internships, honors and Advanced Placement classes, ministry programs, and co-curricular activities help Trinity graduates stand out. This kind of experience and recognition earns them high scholarship dollars, and ultimately, acceptance to their dream college or university.

4x4 BLOCK SCHEDULING

Trinity's block schedule is similar to what you will experience in college. You will take one set of four classes during the fall semester, then a new set of four classes during the spring semester. Focusing on only four classes at a time gives you a better school-life balance, allowing you to participate in co-curricular activities you are passionate about while still excelling in the classroom.
