

RESULTS AND ACHIEVEMENTS

Performance Index

According to the 2022 Ohio State Performance Index, **Breakthrough Public Schools (BPS) campuses are consistently among the top-performing schools in each of their respective neighborhoods.** For example >

BPS Citizens Southeast Campus achieved the highest Performance Index (PI) score in the Lee-Harvard neighborhood.

Cliffs Preps Campus and Willard Preps Campus achieved the second-highest PI scores in their respective neighborhoods of St. Clair Superior and Cudell.

The 8th grade class at E Prep Cliffs also outperformed the state average in math, science, and English, which has never been achieved by any Breakthrough school.

Shout Out

To V Prep Cliffs campus, which recently received credentialing from Valor Schools to become the second elementary school in the entire country to earn commendation as a Powered by Compass Certified School.

Impactful Improvements

Every number makes an impact, and we are continually finding ways to improve!

The **Compass model** grounded in the foundational elements of being human—**mind, body, heart, and spirit**—entails "Working the Compass," which means **developing key disciplines, habits, and mindsets** that support growth in these areas.

We've implemented **high-dosage tutoring at four schools, and all campuses offer after-school programs.**

~850 fewer out-of-school suspensions (down 80%) and ~225 fewer in-school suspensions (down 33%) this year than last.

Average daily attendance is ~90%, up from 85% last year.

Going Beyond Breakthrough

Each year, our **Beyond Breakthrough team extends support** to an increasing number of alumni, with **300 new 8th-grade graduates joining our ranks annually!**

Over **95% of families** who've **completed the scholar intent to return process** have shared they **will return next year.** *We are excited to have them back!*

Even after our scholars complete their educational journey with Breakthrough, **our commitment to them remains steadfast well into their mid-20s.**

This ongoing educational support beyond 8th grade encompasses facilitating **high school transitions, navigating college life, securing career paths,** and more—all aimed at fulfilling our overarching mission.
