“Harassment, intimidation, or bullying” means either of the following: (1) any intentional, written, verbal, electronic, graphic, or physical act that a student or group of students has exhibited toward another particular student more than once, and the behavior both causes mental or physical harm to the other student and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student; or (2) violence within a dating relationship. The definition of “harassment, intimidation, or bullying” also includes the above described acts which are electronically generated, stored or transmitted, sometimes called “cyberbullying.”
